La Misión de San Lucas

This Year in Review

The past six months have proven to be the most physically challenging in my four-year struggle with stage four cancer. Amazingly God has given me the strength to push forward. I have not missed any Sunday services at our church, we were able to offer another soccer camp for under-privileged youth and we served over 100 adults with our English classes. All the way from El Salvador to a local second-generation Latino family, three new families have made St. Luke's Anglican Church their home. In addition, I continue to do translation work for St. Paul's House of Formation and lead a cohort of pastors and church leaders online. Enjoy the pictures!

Merry Christmas

End of the Year Giving

As we close the chapter of yet another year, I want to give everyone an opportunity for an end of the year contribution. We are entering 2023 on stable financial ground but we are looking for a part-time staff member that will put a strain on our budget. Our Latino congregation have made a \$500 month commitment to support a part-time worker and we are looking for help with a \$6000 matching fund for the year. If you would like to help us to continue to make a positive impact on the Latino community in Kansas City please join us. You have always been generous to us so I thank you in advance. Have a very blessed Christmas season!

There are two easy ways to give to the mission.

- 1) Send a one-time check to
MSL 7552 Richland Ave. Kansas City, KS 66111
(I can send you a stamped envelop at your request) or
- 2) Go to www.missionofstlukekc.org and donate with one click via Paypal.

Another option would be to join a number of families who support us on a monthly basis. Automatic withdrawals from your bank to our mission are available. May you and your family have a blessed Christmas season. We wish you God's peace and favor in the coming year. La Mision de San Lucas is a 501(c)3. All checks post-marked by December 31 will be accredited for tax exemption for 2022.
