

La Misión de San Lucas is an Anglican mission sharing the gospel with the 300,000 Latinos residing in Kansas City.

La Misión de San Lucas

Last fall we began a discernment process regarding the Mission of St. Luke. We began a search for a possible replacement for my duties at the church and the mission. We determined that God wanted us to have an indigenous leader to step into my shoes when it was God's time. God sent a couple, Pastors Jose and Carmen Zuritas from Dallas, Texas and a young lady, Miriam Ruiz from Ciudad Juarez, Mexico. We are in our final months of discernment. Please that we will hear clearly and will keep the mission in God's hands for the years to come.

Thank God for the formation of the Diaspora Network in our diocese this past year. My dear friend, Jonathan Kingsburg, formed the network to encourage our churches to reach out in the immigrant communities in our parishes. Jonathan and his team have encouraged us given us crucial guidance. Here are a few pictures that show some of our activities over the last few months.

Our Ash Wednesday Service

Pastor Jose ministering to our children

God moved in our healing service.

Miriam will serve 2 months as a missionary intern with us.
