Kansas City, Kansas is the home of 35,000 Latino residents making up over 30% of the population of Wyandotte County. La Misión de San Lucas (MSL) was started in 2011 to address the daunting needs of the Latino immigrants. Offering English classes (ESL), a soccer camp for underprivileged Latino youth, running a bilingual thrift store, and a Spanish worship service the Mission has been an active part of the Latino community. Participants in the Spanish internship program will interact daily with the Latino community, increasing their conversational Spanish skills and learning first-hand about the challenges of immigration and the affect it has on the families. MSL is inviting a small group of dedicated Christian young people to join them for an exciting 3 week cross-cultural adventure.

Who should attend?

- Any Christian who feels called to work and minister among Latinos.
- Spanish majors and minors who want experience in conversing in Spanish daily.

\$50 non refundable deposit due on April 2

\$300 due upon arrival in Kansas City

The Language Exchange

The Language Exchange is an innovative method to learn Spanish and be immersed into Latino culture. Spanish students will be partnered with Latinos who want to learn English. Unlike the traditional model where the teacher is dispensing information to the student, the teacher in the exchange program is simultaneously a student, seeking to learn the language of Spanish speaker. This interactive approach to language acquisition is conversationally based rather than grammar-centric. Each student will receive a manual with 8 interactive lessons.

**Experience Latin America
without leaving home!**

Teach English, Learn Spanish

Under the tutelage of a profesional Spanish trainer.
